I AM HERE FOR YOU

BY ANNA KOSSAKOVSKAYA

Instruction

1. Stamp the city's silhouette with Sketchy Cities America using water-resist inks. Add shadows by coloring the city with gray or black paint.
2. Fussy cut the city's silhouette.
3. Silver emboss the moon image from To The Moon and cut it with a circle die.
4. Cut the figure of superman from Jet Black cardstock from a die cut machine.
5. Blend a piece of the white cardstock with blue colors of Distress inks making the ombre effect to the center. Leave the white space where the moon will be placed. Sprinkle the blue background with a white mist for stars effect.
6. White emboss the sentiment from Sentiments & Quotes on a piece of black cardstock.
7. Glue all elements together: glue the background to the navy card base, glue superman to the moon, glue the moon and the city's silhouette to the card with the foam tape. Glue the sentiment.

Altenew Supplies:

YOU GIRAFFE ME CRAZY

BY ANNA KOSSAKOVSKAYA

Instruction

1. Stamp the giraffe figure from Geometric Menagerie and color it with green and yellow and fussy cut it.
2. Make a background using the ink smooching technique on a piece of white cardstock. Put some green and yellow inks on the smooth surface and sprinkle with the water, then dip the paper in these inks. Let it dry.
3. After background dries, sprinkle it with black paint to get some small black dots. Let it dry.
4. White emboss the sentiment from Geometric Menagerie on a piece of black cardstock.
5. Glue a piece of 4 1/8 x 5 3/4 beige cardstock to the card base, glue the background, glue the sentiment and the giraffe.

Attenew Supplies:

[Geometric Menagerie Stamp Set](#), Jet Black Cardstock

Other Supplies:

Yellow and Aqua-green colors of Distress Inks, White Embossing Powder, Black Watercolor, Beige Cardstock
